### Minutes

Resolved, the Steering Committee unanimously approves the Minutes of May 4th, 2022 call.

### Welcome to Bosch

Tina and Evgeni from Bosch are representing the Silver members and will take part in the steering committee moving forward.

### Marketing update

Hassan Jaber presented an update of the past and upcoming marketing events, including:

- Virtual IoT and Edge event, retrospective report to be done and shared with the SC. Registration +350 people.
- IoT and Edge developing and commercial adoption survey, it will be closed by mid-June, target of 1K participants, as of today we have 900 submissions. We are on track to reach the submissions target.
- Work in progress on a Case study with Nicola La Gloria, Kynetics. Potentially a video case study.
- Episode 3 of Edge of Things webinars done on 01/06/2022 and preparation of episode 4 [Eclipse Zenoh Summit](#) to be held on 06/16/2022, hybrid event.
- Participation on EclipseCon 2022 and [Bosch Connected World \(BCW\) 2022](#). The edge-wg have a golden booth for the BCW'22.
- EclipseCon '22 submission to be closed on June 15, 2022.
- Edge Native on Medium <https://medium.com/the-edge-of-things>

#### **Edge of Things contributions guidelines:**

Kilton Hopkins presented the status on the four post for the Medium Edge of Things, on device attestation.

Frederic presented the guidelines for contributing to the edge of things publications. Frederic will forward the guideline slides to the edge-wg mailing list.

#### **Next Meeting**

Resolved, the next meeting will be held on Wednesday July 6th, 2022 at 16h00 CET.
