Minutes
Resolved, the Steering Committee unanimously approves the Minutes of December 7th, 2022 call.

Marketing update
Hassan Jaber presented the marketing updates, including:
- Commercial Adoption survey to be launched on January 31, 2023.
- EclipseCon and BWC videos will be up in Dec 13th. 2022
- Launch "The Edge of Things" medium publication

Future of the Working Group
At the moment Eclipse Foundation is discussing internally what could be the best scenario to continue supporting the edge-native-wg initiative.

Frederic Desbien presented the concept of Digital Twin, and that a top level project has been created at the EF. Could this concept be a potential collaboration with IoT or edge-native, or could it be integrated? It was unanimously accepted that digital twin concept will be a good fit with edge-native.

Membership pipeline
Frederic Desbiens presented the working group member's status. Huawei has decided not to continue supporting the edge-native-wg in 2023, similarly Adlink which was supporting it in 2022, will stop supporting it in 2023. Resulting on a budget lost for this period 2023.

Next Meeting
Resolved, the next meeting will be held on Wednesday February 1, 2023 at 16h00 CET.
